# TRANSCUBE STANDBY

## EFFICIENT, ON-SITE FUEL STORAGE

Avoid unwanted downtime and increased operational efficiency with the TransCube Standby, our environmentally secure, double-walled fuel storage tank for on-site fueling and auxiliary supply. Provides fuel for up to 3 pieces of equipment simultaneously to save time and money.

## BENEFITS

### SECURE

Lockable equipment cabinet keeps fuel, ports and equipment safe.

### 110% CONTAINED

Built-in double-walled containment eliminates the need for spill pans or basins.

### PORTABLE

Four-way fork pockets for easy placement onsite when empty.

### TURNKEY

Built for your fueling needs with pre-installed accessories. Arrives onsite ready to go.

### SAVES SPACE

Easily stackable when empty (up to 2 high) to save space in your yard.

### GUARANTEED

Industry leading 8-year tank warranty. We've got you covered.

## APPLICATION USES

- Onsite fleet refueling
- Remote & mega jobsites
- Extended runtime
  - Generators
  - Pumps
  - Heaters
- Disaster relief
